ELHAM HIRSI

JUNIOR UX/UI DESIGNER | UX Research, Usability Analysis, Figma, Prototyping

Stockholm, Sweden | elham.hirsi00@gmail.com | +46 79 304 35 47

Portfolio: elhamhirsi.framer.website

SUMMARY:

Junior UX/UI designer with a focus on UX research and internship experience at Webray Studio. Skilled in usability analysis, identifying user problems and turning findings into design decisions in Figma, with wireframing, prototyping and design systems. Front-end knowledge in HTML, CSS and JavaScript. Bilingual (Swedish/English), with a care background that built a strong user-needs mindset. Seeking a junior UX/UI role.

EDUCATION:

UX & UI Design | Medieinstitutet (Distance) *Expected graduation 2027*

- Focus: UX/UI design, HTML, CSS and JavaScript

Bachelor's Programme in Computer and Systems Sciences | Stockholm University *Ongoing*

- Focus: Python and data analysis

Upper Secondary School, Economics and Law | NTI Gymnasium *2023*

SKILLS:

- **UX Research:** Usability Analysis, User-Needs Analysis, Problem Identification, Documentation
- **UX/UI Design:** Wireframing, Prototyping, Design Systems, Visual Hierarchy, Mobile-First Design, Accessibility
- **Tools:** Figma, Miro, Framer, Notion, GitHub, Adobe Tools
- **Additional:** HTML, CSS, JavaScript, Python, Excel, Digital Marketing

PROJECTS:

Prestationsverket, UX Analysis & Redesign | UI Designer *2026*

- **Research:** Usability analysis of a personalized-poster e-commerce site found an unclear product presentation, a confusing purchase flow and a narrow focus on running.
- **Solution:** Simplified the purchase flow into clearer steps and broadened the concept with inspirational content, to reduce drop-off risk and reach a wider audience.
- **Process:** Design brief, low-fidelity wireframes and mobile-first high-fidelity designs in Figma, with a design system (colors, typography, grid, components).

Spotify Mobile Homepage, UI Analysis & Redesign | UI Designer *2025*

- **Research:** Analysis of layout, typography and navigation found content overload, repetitive sections and small text.
- **Solution:** Reorganised content into clearer sections (Quick Picks, Recent, Discover, Album Picks), enlarged headings and applied a consistent grid while keeping Spotify's dark theme.

Hotell Murr Website | Group project

- Collaborated with other designers to design and prototype a hotel website in Figma.

EXPERIENCE:

UX/UI Design Intern | Webray Studio, Stockholm *May 2026 – Jul 2026*

- Worked in a design team on UX and UI design tasks for team projects.
- Gained hands-on experience of the full design process, from idea to finished solution.

Support Assistant (LSS) | Råcksta Service Housing, City of Stockholm *Sep 2025 – May 2026*

- Identified each person's individual needs through daily observation and implementation plans, and adapted support accordingly: user-needs analysis in practice.
- Documented all efforts systematically and shared observations with colleagues to keep support consistent.

Care Assistant | Hagagården Senior Center, Haninge *Jun 2024 – Apr 2025*

- Delivered person-centered care by listening to residents and adapting to their individual needs.
- Documented care according to routines and worked closely with staff to share observations.

ADDITIONAL EXPERIENCE:

Teaching Assistant (SFI), Stockholm, 2020 | Warehouse Associate, Mathem and Åhléns, Stockholm, 2020–2023 | Earlier: Factory Worker (2019), Mail Sorter (PostNord, 2018–2019)

COURSES & LANGUAGES:

Digital Marketing and Excel, Google Skillshop (2023–2024) | Bookkeeping, Simplilearn (2024–2025)
Swedish: fluent | English: fluent
